The North American river otter (*Lontra canadensis*), also known as the northern river otter or the common otter, is a semiaquatic mammal endemic to the North American continent found in and along its waterways and coasts.

### **North American river otter - Wikipedia**

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. Similarly, the language spread to numerous other parts of the world as a result of British trade and colonisation elsewhere and the spread of the former British Empire, which, by 1921, held sway over a ...
