Building a website is the most common way affiliates launch themselves into the affiliate marketing world, and if you're interested in creating a long-term business you'll inevitably need to put together a website.

## **Affiliate Marketing Without a Website: Secret Revealed**

I typically trash Clickbank as a low-quality trash bin for discount digital products worth very little money, and even less of your time. But the website is still alive and well, and as we see with products like Google Sniper 2.0 and Freedom Formula 8, people are still touting it as a great place to find things to promote for your online business.
