

clinical immunology and serology pdf

The Journal of Investigational Allergology and Clinical Immunology (J Investig Allergol Clin Immunol) provides an attractive and very active forum for basic and clinical research in allergology and clinical immunology.

Journal of Investigational Allergology and Clinical Immunology

Serology is the scientific study of serum and other bodily fluids. In practice, the term usually refers to the diagnostic identification of antibodies in the serum. Such antibodies are typically formed in response to an infection (against a given microorganism), against other foreign proteins (in response, for example, to a mismatched blood ...
