(PDF) Management and Cost Accounting - ResearchGate

Cost Accounting And Financial Management pdf is a bit different from financial accounting. In a financial accounting we record all the transactions of a business which are money related. Cost accounting is a sub type of financial accounting in cost accounting we record all costs and expenses which are used or pertained in the process of production of goods and services. Cost accounting presents the difference between the cost of the product and the profit which is earned through that product.
