

### **democracy human rights and pdf**

Promoting freedom and democracy and protecting human rights around the world are central to U.S. foreign policy. The values captured in the Universal Declaration of Human Rights and in other global and regional commitments are consistent with the values upon which the United States was founded centuries ago.

Trafficking in persons victimizes millions of men, women, and children worldwide. Although precise numbers are unknown, recent estimates of the number of people enslaved in sex or labor exploitation range from 12 to 27 million.

### **Countering Trafficking in Persons | Democracy, Human**

Broad support for democracy The American public's support for the concept of democracy remains strong. In contrast to the period before World War II, when the appeal of fascism and communism was spreading through Europe and the United States, this project does not show a recent decline in support for

the idea of democracy.
