Supervision. The Financial Supervisory Service examines financial institutions across the financial sectors ranging from the smallest to the largest in size and complexity with a particular emphasis on areas of greater risk.

Financial Supervisory Service

Financial economics is the branch of economics characterized by a "concentration on monetary activities", in which "money of one type or another is likely to appear on both sides of a trade". Its concern is thus the interrelation of financial variables, such as prices, interest rates and shares, as opposed to those concerning the real economy.

Financial economics - Wikipedia

"If we have to succeed in the globalized world, we have to enlarge the scope of Cost Audit to cover all aspects of manufacturing and service sector activities including healthcare and education.
