

globalization a basic text pdf

Globalization or globalisation is the process of interaction and integration between people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology.

Globalization - Wikipedia

The anti-globalization movement, or counter-globalisation movement, is a social movement critical of economic globalization. The movement is also commonly referred to as the global justice movement, alter-globalization movement, anti-globalist movement, anti-corporate globalization movement, or movement against neoliberal globalization.

Anti-globalization movement - Wikipedia

Whether you are trying to launch a multilingual website to expand your products and services into new global markets or increase your company's global operational efficiencies by developing multilingual extranets and intranets, website globalization is a requirement to make either a reality.

12 Steps to Website Globalization

One of the most commonly used buzzwords in the corporate world is globalization. Defined as the act of extending and integrating into other parts of the world, globalization is key for many businesses nowadays if they wish to stay competitive in their industry.
