Marketing Metrics: The Definitive Guide to Measuring Marketing

Obviously, email marketing is not death at all. Maybe common, but not death. This post once again contains great tips and easy to use metrics, but I think there should be a little more focus on cross channel analyses and taking the right decision based on your cross channel analyses.

Email Marketing: Campaign Analysis, Metrics, Best Practices

Don't invent new metrics, use online versions of Reach and GRPs to measure success. The value of Facebook in "spreading word of mouth," "getting your brand in front of friends of fans," and "engaging fans with five to seven posts a week on your fan page."

If youâ€™re slightly unsure about the differences between KPIs, metrics, and measuresâ€”youâ€™ve come to the right place. By the end of this post you will understand what each term means and why each term is important. Youâ€™ll also be equipped with practical (and hopefully memorable!) examples of each.

What is a KPI, Metric or Measure? - Klipfolio

The growth in the space has been dizzyingâ€”and IAB is best positioned to bring the same supply chain discipline to the mobile marketing sector that it has done for the broader digital advertising space for nearly 20 years.

Hi Christina, that's a good point, but author-level metrics (and for what matters any aggregate institution-level measures) are already divorced from individual publication outlets, aren't they? I discuss what I believe to be the main differences between usage metrics and metrics based on richer usage patterns (such as personal bookmarking ...
